

Global Capabilities

We are collaborative entrepreneurs raising the bar on what it means to provide a higher level of service, regardless of the country or continent. No matter how much we grow our global reach and resources, our approach to commercial real estate will always be people-driven and client-focused. The way we see it, better is bigger.

BETTER SCOPE

Through relationships with the world's top real estate and financial entities, we leverage global geographic coverage and local-market expertise to maximize the value of our clients' real estate. Our partners have a deep understanding of the culture, values and work styles of individual countries, allowing us to deliver The Transwestern Experience across borders.

BETTER PARTNER

Through a strategic alliance with BNP Paribas Real Estate, we deliver occupier services in Europe, the Middle East and India and contribute reciprocal solutions within the U.S. for foreign clients. We provide seamless personalized services by managing all global client transactions through a single point of contact.
